

OG MENTORING: EXPLORERS

GET INVOLVED

Connect with foster youth ages 14-17 years old in an informal group setting, with C2i staff present.

Explorers will join with a C2i activity approximately four times a year in order to share an activity with youth & other interested OG's to let connections grow organically and possibly explore a more formal mentoring commitment in the future.

Activities will vary by youth interests & C2i staff plans, but it'll be fun!
